

-Prayer List-

- Vernelle Morris had a mini stroke which caused her to have blurred vision and balance issues. Please contact Vernelle if you could help transport her to doctor appointments.
- Please pray for Donna Wallace's mother, who is in rehab, but isn't doing well.
- Bob Holcombe, father of Amanda Ivey, has a tumor on his pancreas and will have a PET scan to determine diagnosis. He is needing a triple bypass, but they may now try to do stents since it is less invasive.
- Please pray for Angela Bratton's parents, Ronald & Rometa Bratton. Rometa will have 5 weeks of chemo/radiation for stage 3A lung cancer starting 11/4. Ronald is in rehab but will move to long term care.
- Ron Drake is home now after being hospitalized at the beginning of the week. All medical tests came back with encouraging news. Please continue to pray for him as he heals from Cochlear implant surgery and as they seek answers for recent health issues.
- Denise Middleton had surgery Monday, October 20. Please pray for her and the family at this time.
- Mona Thornton was scheduled to have a pacemaker installed last week, but was canceled. Doctors are hoping that a medication adjustment will help with the issues she has been having.

- Van Calloway, cousin of Ian Tew, is struggling with mental health issues.
