One-point perspective drawing

WHAT: Learn how to draw in one point perspective. The Art of Sisterhood will be teaching a basic drawing class that incorporates a drawing technique that uses one point on the horizon to show how objects recede and converge into the distance, creating a more realistic drawing. This is called one point perspective. No need to be able to draw a stick figure, or even a straight line. A straight edge will be provided for you. This is a very basic beginner's class. See Lisa for tickets no later than Sunday, August 24th.
