Paddington Project Work Day

The next Paddington Project Work Day will be Saturday, January 28 from 9am to 12:30pm in the fellowship room. This will be a great time to learn to sew as we will be instructing anyone interested how to make a simple bag! If you don't want to sew, other jobs will be pressing and cutting fabric. These bags will then be used to support the mission of the Paddington Project. If you have any of the following & can bring, that will be GREAT! **Sewing machine (Don't forget your foot pedal and power cord!) Sergers Bobbins Pins Thread Seam rippers Scissors Fabric (please no fleece or flannel).** Even if you can't bring anything, but just want to learn to sew or help cut/press fabric...We would love to have your help! See Valerie Lively for more information.
